

Stage Briefing

Stage 6: Get Down

Welcome to the 2019 NAZC.

This is Stage 6 “Get Down”. I am _____ the CRO for the stage. Assisting me today are _____ and _____.

Stage 6 is a 30 round, 150 point, Comstock course of fire with 11 USPSA targets, 4 poppers and 4 knock down plates.

The start signal is audible and time stops with your last shot.

Start Position:

Pistol: The start position is standing hands touching X’s; gun is ready per 8.1.

PCC: The start position is loaded carbine held in both hands, muzzle touching X, stock against belt, with safety on.

At signal, engage targets as they become visible from shooting areas. Popper P3 activates max trap T7; it is not a disappearing target.

The best 2 hits on paper will be scored, steel must fall to score.

Rules are per the USPSA Handgun Rules, Current Edition.

We request that you help tape, reset steel, and paint unless you are one of the next two shooters. Please do not tape targets until we have scored them.

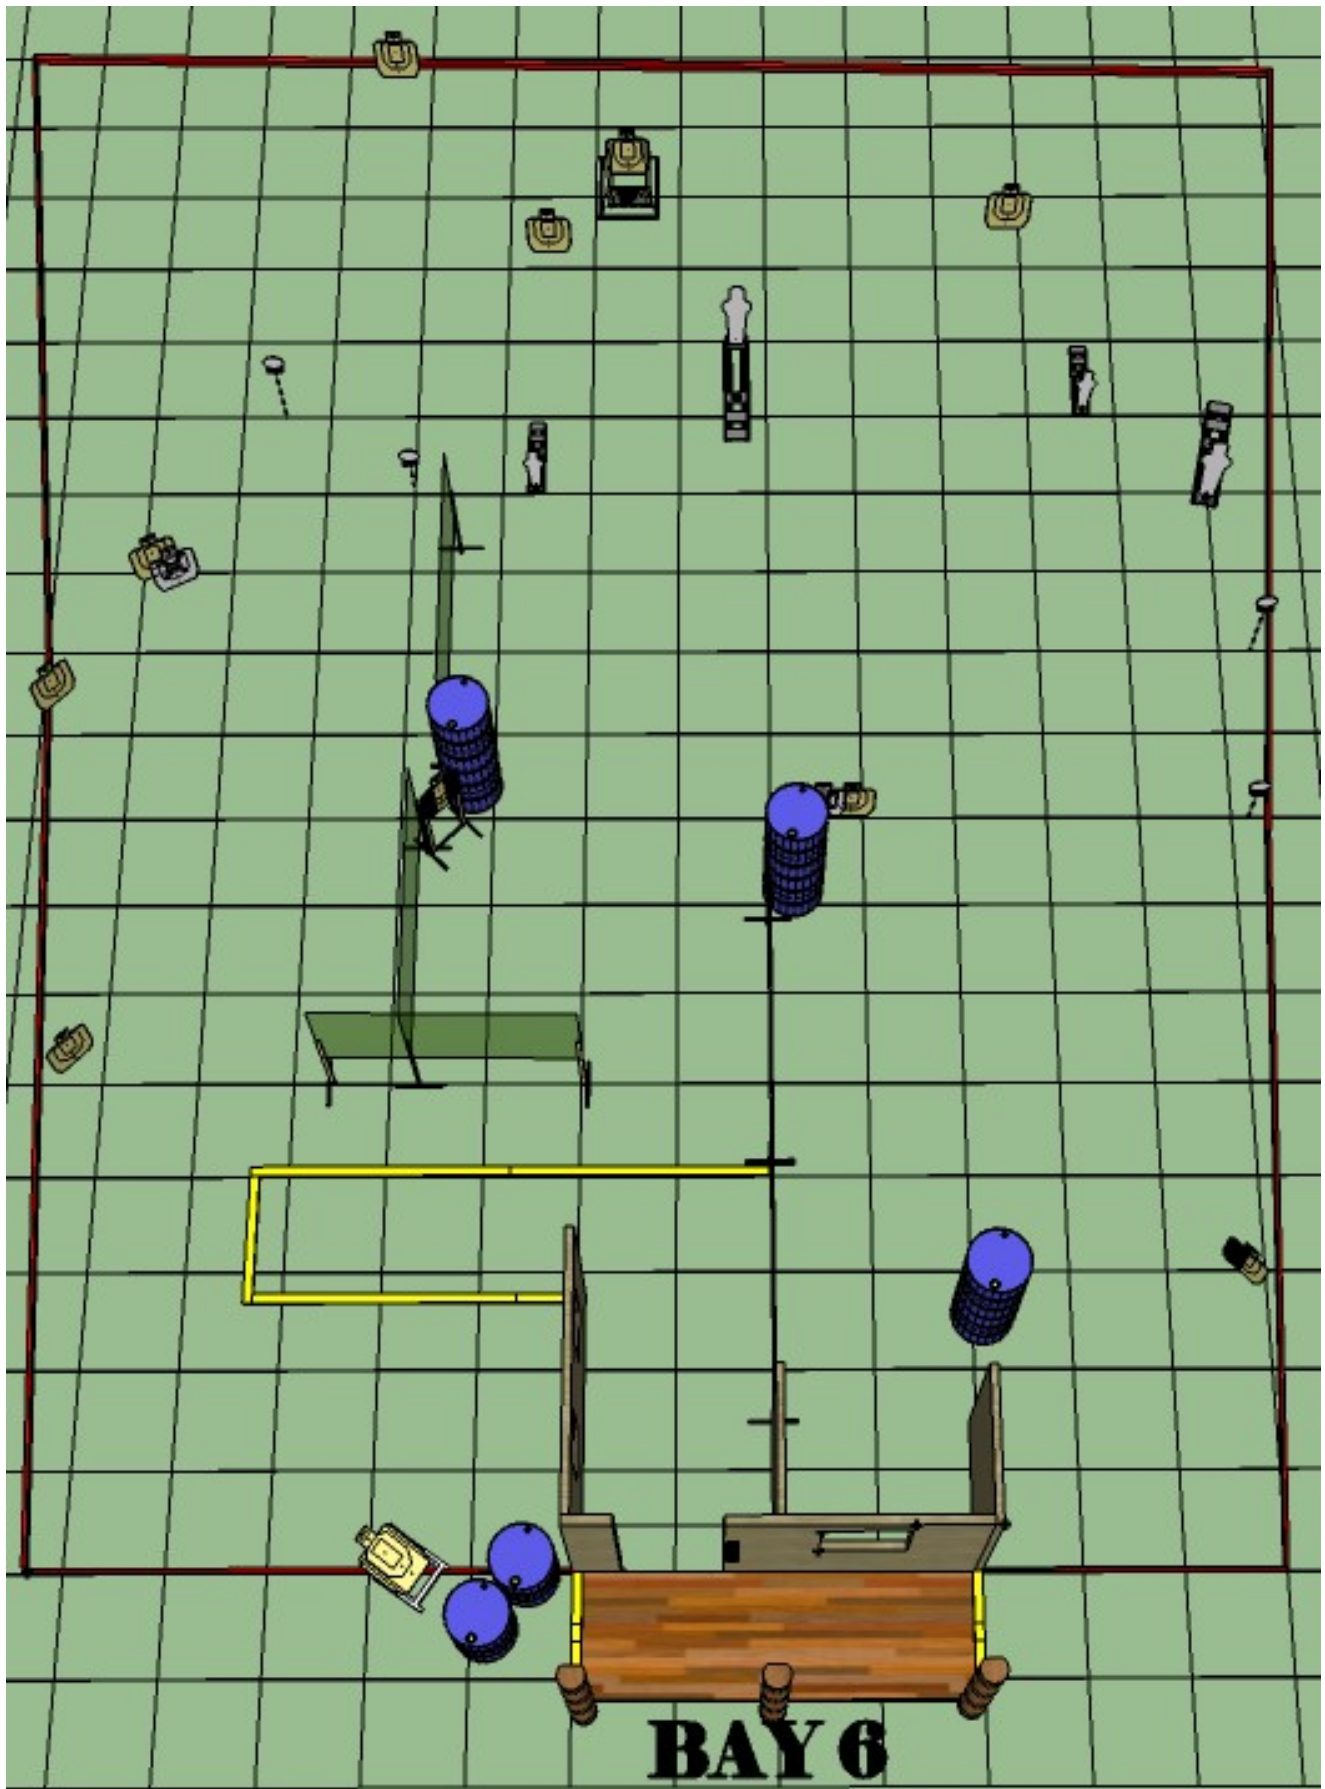

Are there any questions?

Demonstrate any activated targets at this time.

You have 5 minutes to examine the course of fire.

Set a timer for 5 minutes, call out shooting order. At end of time clear stage promptly and start first shooter.

Construction
