

Biographies of candidates running for the Board Of Directors

My name is Terry Ann Pilcher, I've been a member of the club for 6 years. I've served as Membership Committee Chairman for the past 4-½ years. I shoot regularly at the Thursday matches and take registration for the Saturday Silhouette Matches. I would like to remain involved in the operation of the club and feel I would continue to be an asset to the Board of Directors in representing the membership of the club.

In the past I have been involved in the establishment of a gun club from the ground up. Doing everything from helping organize the club to overseeing daily operations and match scheduling. Thank you very much for your consideration and would appreciate your vote.

Terry A. Pilcher

I am interested in running for the board during this election.

I have been shooting since about 2003 when I attended my first formal handgun course. During my time at the Military College of Vermont, I was a founding member of what was their competitive action shooting team. After I left the military I spent several years as a firearms instructor for private military contractors. In 2013 I found IDPA competition and later on USPSA, both of which I am an active participant. I'm 2015, I moved to Prescott and immediately joined the club. I participate in most USPSA and IDPA competitions at the club, and was an active participant in Steel Challenge and Thursday club matches until recently due to work restrictions. I am currently a co-match director for the club's third Sunday USPSA match, a USPSA RO, and IDPA SO. I am a certified firearms instructor from multiple entities and both teach and host courses at YRL multiple times a year. I have belonged to multiple clubs in the past and have yet to find one that is on the same level as YRL. I am eager to continue that tradition and continue to help where I can.

A.J. Zito

To all PAS members:

I have been on the board for the past 6 years serving as the Treasurer. I compete in USPSA matches and IDPA matches locally and out of state. I also enjoy the club's silhouette match. I have 3 kids and a loving supportive wife. My youngest son, Craig, is a 2 Time New Mexico State Junior Champion and Stock Service Pistol Champion. My oldest son, Jacob, was able to become a professional competitive shooter with the United States Army Marksmanship Unit Action Pistol Team. While my oldest, Madeline, does not shoot competitively, she has become a Nurse. The range has been very good to my family with all the support it has given in helping me raise my kids to be successful individuals. So, I strongly feel that I need to return the favor and continue to support the club and its success. I would be honored to continue serving as Treasurer for another term. Since being club treasurer, I have made positive changes to our accounting system and I have some ideas that I would like to implement. Please help me support the club by voting for me.

Thank you,

Matt Hetherington

Hello fellow club members, I am interested in serving our club as a board member!

I have been the 3rd Sunday USPSA match director for over a year. I am currently also the Thursday Paper MD, following over a year as assistant MD. I participate in 5-6 club matches per month, in addition to often attending board meetings. I have also been known to take on projects that no one else seems to be doing, because they need to be done!

I am a NRA life member, a USPSA life member, and Chief Range Officer with considerable experience, including several Nationals. I am also an NRA Instructor and SO. I have been the Section Coordinator of an USPSA section in Oregon (CCS), and MD for their Sectional Championship(2015). I am currently pursuing a Range Master rating through USPSA. This is the 4th shooting range that I have taken an active role with.

Thanks for your support,
See you at our range,
Omar Newbury

I'm Ken Stubbe. I am running for the Board of Directors. I have been a member of Prescott Action Shooters since 2011 and a member of the Board of Directors since 2015 and as Vice President for the past 2 years.

I participate in USPSA, IDPA and Steel Challenge matches. I am currently the Match Director for SteelChallenge. So, I am at the range every weekend enjoying the sport, scenery and a chance to learn from other competitors.

I hold Safety Officer credentials in IDPA and Range Officer credentials in both USPSA and SteelChallenge. I feel the education helps me to better understand our sport.

Membership in Prescott Action Shooters is a great experience and I am very pleased with our facility and would be happy to continue to serve on the Board of Directors so I would appreciate your vote.

Thank you,
Ken Stubbe

My name is Frank Barbaro and I am currently a board member and am asking for your vote to be reelected. The club is on a positive trajectory and I think that maintaining consistency is very important for the continued success of the club.

I have been serving the Club as the First Saturday USPSA match director and have also been the Northern Arizona Classic match director for the past three years. The Northern Arizona Classic match is our club's main fundraiser and benefits all our membership by providing range improvements and maintaining low match fees. During my tenure we have implemented strategies to grow the match and increase revenues.

When I'm not shooting I work for the Yavapai County Sheriff's Office. Currently I am assigned as the Criminal Investigations Bureau Commander. I have been with the County since 1995 and it has been a great place to hone the skills that I bring to the management of the club.

If you choose to keep me on the board I will keep working at maintaining and improving the club for our members.

Thank you,

Frank Barbaro
